“ I am deeply sorry to hear about Alice-She was a very sweet person inside and out.Our families used to go to Nags Head,N.C. for vacations when we were younger,Funny story I had just got my licence and driving Sonja's car,we were following my family--My dad never liked to stop much and of course Alice had to pee so bad-and knew my dad wouldn't stop lol-So what did she do -she found a cup in the back seat and used that -which was impressive I thought - then what she did is the funny part--here we are going 60 MPH and what does she do - puts down the window and tries to pour it out of course most of it came back in the car and the rest all down the side of the car--Will never forget that--She made me laugh - she was funny :-) Alice always had a smile on her face -can remember bowling with her (duckpin) Hell we lived up there it seemed.Prayers go out to Anthony-Amanda-Sonja-Patricia and family.I will always think of Alice as family have known her and family for over 30 years.God seems to have a plan for everyone--Doesn't make sense or fair sometimes though. “ Anthony, Amanda et al; We are so very saddened to hear that Alice has passed, it was such a shock and we are so very sorry for your great loss. In these times as friends we reflect back in our memories of the fun times shared. The parties at Al and Pat Squerrini's, the wedding shower, the wedding and countless other fun times we were all together. The Good Lord has taken Alice from all of us on earth and may God Bless her and keep her in his loving arms. God Bless all of you and may you soon find peace. Love Ron & Ginger Stewart.

“ I have only met her a handful of times, but I felt like she was a good friend whenever she stopped by Giant Food in order to see her daughter Amanda or her son-in-law Steve.

She was always smiling, telling me about the different things going on with her or her family, and always would ask me how I was doing (which meant a lot; especially when I wasn't having the best of days).

She will be missed. I wish more people could be like her, and care about others. The world would be a better place.

“ I hadn't seen Alice in many years since High School but reconnected on FB and she was as sweet as she was in school. She obviously left an imprint on each who knew her. Life here on earth is short compared to the eternity we share in heaven. Til we meet again. Prayers of strength and peace to her friends and family~

“ Momma my sweet momma..... Honestly I can't believe this is real... I can't believe that this has happened... I know not to question God's calls but lord I pray on my bending knee that he heals us all from this pain..... Waking up to a phone call from Amanda telling me that your no longer here was one of the worst feelings I've felt in my life..... Thinking about what could have possibly went wrong and where we would go from here were the thoughts racing through my mind.... I had no choice but to get out of the bed and rush to Amanda momma..... I had to be there for her ... To listen has she expressed herself and to hold her for comfort..... Momma you mean the world to her.... to me to the entire family to so many of your friends You have touched so many people that you've come across and you have left a impact among us all..... In one of our many talks, I told you I will always be by Amanda's side... She is my little sister... blood couldn't make us any thicker... That is a promise that I will forever keep..... I'm so sad because I wasn't able to hug and kiss you one last time... I wasn't able to tell you that I LOVE YOU and it hurts..... Momma I love you ... I miss you I wish your presence was here with us .. I really truly miss you ... I'm stuck Momma may you Rest In Paradise..... Our beautiful and sweet angel..... WE LOVE YOU :(- Your other Daughter Misty <3

“ Aunt Sonja, Trish, Anthony, and Amanda,

We are so incredibly sad to hear about Alice having passed away and my family offers our heartfelt condolences and prayers to all of you. All of my memories of my younger cousin Alice are happy ones because she always had such a genuine, open and happy expression on her face from the moment she was born. I saw that again when Alice proudly introduced us to Amanda at Uncle Joe's wake. I hope you all know that we are holding you all in our hearts. God bless.

Love,
Kath
