“ *Anna was my everything, over the last two years we lived a lifetime together, our bond is eternal. She lit up my life in every way imaginable. She loved to be in our garden, kitchen cooking, and reading to me at night before we slept. Music was her passion, many nights we would just stay up and listen and laugh. Alexis was her joy in life. She was a great mother to her, and a partner to me, life will not ever be the same without her. I love you Anna.##imported-begin##Michael ##imported-end##*

“ We didn't know Anna very well. Mainly saw her in passing, having shared the same family as Lexi, Tiffany is my husbands daughter. Loved having the conversations we did with Anna, just wished we had been able to get together with her and Lexi when we had Tiffany as we had talked about. I will greatly miss her smiling face. My thoughts and prayers go out to her family, especially Lexi. We know we can't replace her mom but know that Lexi is welcome to spend time with us on the weekends Tiffany is with us. She is going to need alot of love and support to get through and understand what has happened.##imported-begin##JENNIE AND RUSSELL SHOCKLEY##imported-end##
