“ Nola:

Seems a bit strange typing that name to a person other than Mom!

I TRULY would have liked to talk longer with you and your husband. Mrs. Marvil was such an inspirational and special person in so many lives.....I can't begin to explain how much so for me.

My wife Judy, as well as 3 children have heard about French class and experiences with "Madame Marvil" so much that they were equally sorrowed deeply to learn of her passing. They knew how much she meant to me and this community!

Our heartfelt prayers and sympathy go out to you, family and friends. I hope to have the opportunity to sit and talk with you sometime about both your Mom AND Dad (who presented me with my 1st baseball trophy at a Lions Club banquet a long time ago).

“ Nola,
Your mom always spoke so highly of you throughout our high school years of French. I can still tell you the sun is shining. My memory of her flowers will always be a favored memory as I rode by on my bike. I also shared a special bond with your mom as I went to Western Maryland and was also a member of Phi Alpha Mu. “ Dear Nola & Joe,
I have so many wonderful memories of your Mom...as the mom of one of my playmates as a little girl, as the owner of a great soda fountain shop, as a dedicated teacher (French), as a good backyard neighbor for 5 years, and through all of that ~ a very dear friend. The corner of Walnut & Fourth will never be the same. You are in my prayers.

“ Nola and Joe-

It was wonderful the way that you both were so dedicated and cared after your mother. She was blessed to be so active for many years and I only hope that I too can be out attending theatre performances in my later years as she did.##imported-begin##Kristi Toadvine##imported-end##

“ Nola Arnold and Family,

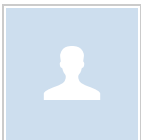

I was saddened to learn of the passing of your mother. She was my English teacher in high school. She was a dedicated and caring educator, and took a sincere interest in her students. It was pleasing to learn that she was able to be independent and active in her senior years. I know you will miss her dearly.##imported-begin##Bill McCain##imported-end##
