“ *oh my goodness!! i just saw this page, as i was wondering why i havent heard from Ms Betty in a few months, and didnt know what happened. she and my mom, Cressee, were close friends for upwards of 60 something years. she and her husband, Bill, and my folks, Cressee & David French, used to all be the greatest of friends, when we lived in Leesburg/Mt Dora, until my dads transfer to Texas. i kept in touch with Betty after my mom passed. she was always such a cheerful lady, and always made me feel like she was excited to hear from me, when id call. i have been missing her for a few months, and last night, i had a dream about her, and unfortunately, i found this obit, with great sadness. my prayers to her family, i share your grief. im sad to know that i can no longer call her when i need a smile. she was like, my long distance adopted mom. RIP, Ms Betty. i know you are singing with the angels, now. p.s. give my folks a big hug! Love Always, Terri French*

*Betty was a great lady and we have many wonderful memories of her. She made our wedding cake and numerous other ones for different occasions over the years. I will never forget the one she made for me for my 21st birthday. My dog had just had puppies and it was a dog house with the puppies and their mother laying on top of the dog house like she always did. Our thoughts and prayers are with her family at this time of deep sorrow. God Bless.*

*“ I am very sad to read of Betty's passing but know she is in good hands. The years we spent at Homer's Mobile Homes will stay in my memory forever. We kept in touch via birthday & Christmas cards over the years until we both grew older. Recently I made the comment that I would pay a pretty penny to have one of her beautiful delicious cakes as hers were the best & prettiest. I always recall the one she made to look like Homer's truck! My condolences to all of her family and I won't ever forget her. Pat (Pierson) Taylor*
