“ I have such fond memories of Betty. I went to church with her and we would go to lunch often and then go to her home (because she lived in Salisbury and I lived out of town) just to talk. Those were precious times. Also, our pastor came to us from North Carolina. When he came up here, he would stay at one of the members homes. We all had dinner Saturday night at the home where he was staying. Betty was really a great hostess and we had some wonderful times whenever we were together. I know she loved her family and did so much for them. I even remember that one of her grandchildren had a cat when she was staying with her. Betty didn't really like cats but she took care of this cat and eventually got to like it. She did not have an easy life, loosing one daughter when she was young and then another when she was in the prime of life. She stepped in and helped Linda's family in every way. She was really a wonderful person. I really loved her.

“ Vicki and Family, Just a note to remember your Mom. She was an inspiration to us during our childhood in our Jersey Road community. I fondly remember and always admired her work at Deer's Head. I also remember many babysitting days over the years while she worked. She and our Mom shared many conversations over the years. May you find comfort during this difficult time. Sincerely, Dot & Robert Ellis

“ *Betty Nutter was the best Mom Mom in the world - when I lost my mom she really filled that void for me. She was there for all the important stuff like my wedding and when I had my child - she came and spent a week with me- those are the best memories ever!* ”
