“ I was so sorry to read of Bonnie's passing before I had a chance to visit her. She and I had so many good laughs and lots of fun during our last few years at WiHi. When I was invited to meet Rick Nelson in Atlantic City in 1960, I invited Bonnie as my friend to accompany me. I'm sharing a photo here of us sitting on a sofa with him. After meeting him, we went to the Pier Ballroom and watched all of his shows on a sweltering hot day. Such good memories.

It was always a delight to connect with her again at our class reunions because she was so much fun. I'll miss her and know that you, her family, will miss her so very much too. I'm proud to say that she was my good friend.

*Love and peace to you all,
Linda Steere*

“Bonnie was like a mother to me, we bonded bc we had so much in common. Animal's, ID channel, gardening, keeping up with current event's on tv globally, house mates at the beach with our fur-babies, eating KFC chicken was her favourite. Her grandson Cameron called us..mom, me and Sue the golden girls lol. Enjoying a glass of wine, always ready for a road trip, she enjoyed driving around and viewings new ways to take a short cut as well as the land-trees-flowers ready to bloom. She will be so missed by any and everyone that enjoyed life with her. Love and miss you..until we see each other again.

I will think about her when there are sunsets. I will miss all of us sitting on her porch having happy hour and laughter. It's going to be very hard.
