“ *Bruce worked for my son Clint for many years...He and my brother Bobby were good friends in high school. Bruce bought my 85 Camaro from me and always told me he was sorry he wrecked it. I had the chance to talk to Bruce several times over the years, and last saw him when he had his previous stroke while at work. He was such a good person, and we all thought very highly of him. He called me several months ago just to talk, and said he was so thankful for his friends. He will be missed very much.*

“ *Brenda,
Just wanted to let you know how sorry I was to hear of the loss of
your brother, Bruce. We were the best of friends in High School. We
always referred to each other as brothers. I will always remember
the good times we had together and the mischief we always got
into.
Sincerely,
Rod Brodie, Seaford, DE*
