“ *I think she had more daughters than anyone ever knew. She was a very special lady who was loved and respected by many. I was with her when she lost the love of her life and it was hard for her but I was so amazed how she kept it together. She was a strong lady and she taught me "When in doubt ask questions". That was something she truly believed in. She touched so many of us in special ways and she told it just how it was so to the family you should be very proud of this very special lady. I am and I will miss her but I know she will be happy being with MR. BUD. Love you both, Daughter # 3 (Brenda)*

“ *Sending sincere condolences to Carole's family and extended family and VFW auxiliary family...*

I so wish I could be there in person to extend my deepest sympathy for your loss. As I am a "new-ish" Auxiliary Treasurer, Miss Carole did her best to educate me and I did my best to do what she told me to do. I was not always successful. To help me as Membership Chairman, she kept lists of recruiters and sent them to me each month so that I could "reward" each recruiter with incentive gifts. She kept track of the special contests and sent checks to the winners. Lots of paperwork for her to do this past year and I appreciated everything she ever did for me.
