“ I cannot stop thinking about Chris! She was such a good friend to me growing up and I love seeing these pictures of her. They bring back so many fond memories. This is the very sad truth of moving away - losing contact with loved ones. I will be honored to send a check to her favorite charity.

Love to all the Maddens!! Joey

“ I remember so many days of my young life being spent with the “Madden girls”! Chris and I became friends, but I loss contact as “life” can sometimes do. I am so sad to hear of her passing and wish the family my deepest sympathies. I will pray for everyone’s peace and acceptance of what is GODs will. She is in a much better place.

“ *Chris, you loved your dogs more than anything else. I want you to know they are being well taken care of and will continue to be well loved in your absence. They will always love their Mommy the most. You will always be loved, and the four will never be complete without you. Cindy*
