“ *I sent one, but I don't see it in print so I will repeat myself one more time. I have been looking for Darald since our Deerfield, Michigan high school started doing reunions. I've not been able to find him until today, almost a year too late. Please send this tribute to one of the family, who will respond back to me. If Darald were alive he would like to know that there are only 6 still alive. We graduated June 1953 at D.H.S. We are sorry to find him a year too late, due to Covid-19 we would have found him last year, maybe? Please forward this late response. I am Pat Wilkins, psswjrw@hotmail.com.*

Thanks to whoever will take care of this, in order that I can confirm with the family that we have wanted to share reunions with him and dear wife Shirley.

“ I was so sad to see Kim's post on FB about Darald's passing. I have so many good memories of the times I spent with your family. I seem to recall him always enjoying his favorite recliner and I think he/your family helped me become a fan of James Bond movies to this day. Robyn and I send our prayers and condolences and I know my parents would do the same if they were still here. There were a lot of fun times from those Center Hill years.
