“Dean was a special person, a special friend. I will never forget some of the funny things he did at church, at the same time monitoring the sound system. A fishing excursion with Dean was a thing to remember, (we didn't catch any fish, but ate a lot of chips and sandwiches). I remember so fondly that hat rack that said, "If my hat is not here, then I have gone fishing'." I know he was a person of faith and we will all see him again one day.
