“ I remember Diane earlier in life when she was still living at home with here birth parents on the Delmar Road. Diane was my mother's (Faye Benson Nock) first cousin. Florence Benson Evans being her aunt. Yes Diane loved her ball and I remember playing in the driveway with her. I think she had a little crush on me. I was a much younger boy. My grandmother, my mother and I would visit Diane at a Developmental Center in later years after both her parents were deceased. I am so glad to know she was taken well care of over these years and to have Diane live to be 78 years old. God bless all who did take care of her!

Sincerely,
Wm. Byrd Nock
