“ Dear Family,

I was so sorry on the passing of your Mother. She was a dear neighbor to me during my years in Berlin. No matter where I saw her she always had a smile on her face and kind words to say. She loved her family and was a hard working Christian. Just think of all the history she had seen in her lifetime. You all were so kind to me when Richard and Jennifer passed. I don't think I could have gotten through if not for your kind words and memories. I'm so sorry I couldn't make the service. Always remember the good times and you will have a smile in your hearts.

*God Bless You All,
Jeanne*
