“ I just found out that your mother is gone I used to work at the nursing home and love to be with her. She was a special lady and loved her sweets. I know she is no pain now for that I am thankful. May god keep you all and lift your spirits at this time.##imported-begin##Virginia##imported-end##

“ Greg, Gary and families - we are sorry for your loss. Miss Dot was very special to our family, remembering the days when families got together just to chit chat and have a cup of coffee. There were many cups of coffee consumed at Mom Mom Baker's house on Chestnut Street by the ladies group.... May God Bless you during this difficult time and memories of Miss Dot will be in our hearts forever. “ It was always great living next to the Budds as I was growing up. They were just the kind of neighbors that everyone should have. Mother thought so highly of Dot and enjoyed her friendship through the years.

Our sympathies are will all of the family and our thoughts and prayers are with everyone.
