“ My Mother was the best mom ever, she always put us first. She loved her grandchildren, and her great grandchildren. She thought the world of her friends and I know she talked about my Dad everyday and he passed away 15 years ago. Mom, I will miss you every day along with Dad. I love you and Dad very much.

“ Prayers and condolences to all. She was not only beautiful outside, but beautiful inside as well, gave unconditional love to her family and those fortunate enough to know her. It has been too many years since I last saw her, but I can still feel the warmth of her smile, the comfort of her hugs, the happiness she felt being with her family and friends, how she adored her children and grandchildren. She will be greatly missed. R.I.P.
