“ *I was fortunate to have met your mother through my Mom, Dottie Lewis. We played some bingo together several times when I visited Mom in Florida. I will never forget when we went out to dinner and Liz chocked on a chicken bone and we had to take her to the hospital to have it removed. She was a very kind lady and a wonderful friend to my Mom. She will be missed. My deepest sympathy to her children.##imported-begin##Diane Meade##imported-end##*
