“ *I just wanted to write a letter of condolences to the Hastings family. Ethel was a remarkable lady. She was always willing to help those in need and would do whatever she could to help. The one thing though that stands out about her was her outstanding apple dumplings. Man those were so good. It makes me hungry just thinking about them.*

She lived a good life and everyone should be proud of her accomplishments and life. I know that she is in a better place now and she has joined her beloved partner of 60 years Mr. Fred Elliott. I'm so glad that I had the opportunity to meet and get to know her. It was truly a pleasure.

I am not the greatest at funerals due to the fact of all the losses that I have endured in my time. People should be grateful that they have had their loved ones for that long. I will try to make an appearance between 10:00 - 10:30 if they allow me. I have prier engagements that I can't change. Thanks again and send our love to the whole family.

with love,

Ron, Tara, and our son Riley Calloway
