“ *Where do you start? My mother was one of the greatest. There's not a day that goes by that I don't miss her. The other day I picked my phone up and wanted to call her. Her favorite holiday has always been Easter, this Easter we just pasted she would've been so proud. My wife made everything that my mom normally does and it turned out fantastic. This past sunday was mother's day, that was extremely hard. When I got up in the morning I wanted to tell my mom as always happy mother's day but this year was different. She wasn't around. Fortunately for me I witnessed a great group of girls wish there moms a happy mother's day. I'm not mad at god for calling my mom home. I just wish I could've hugged her again before she had to go. I know she'll always be with me but it's just not the same. I will always love and miss you mom.*

“ We can remember Mrs. Stevenson being the neighborhood mom. WOW she was an awesome lady. Always so kind to us all growing up. We are so sorry for your loss. Earth loss, Heaven's gain. Love and prayers to the family in their time of sorrow. Mary Ann Smith and Sheila Smith

“ Our love and prayers are with you all. It's ok to cry, cry tears of sorrow because you miss your loved one! Cry tears of happiness because she is with God! It's okay to be angry, not at God for calling your loved one, but wishing you could have had just that one more minute for another kiss and hug! It's ok to laugh because of all the memories and because you know she is happy and pain free! Praise God, She will be right there watching over you and waiting to greet you when God calls you to come.

“ Thinking of your entire family Tara. We are so sorry that your Mom isn't here on earth, but we know she is without pain and happy and is on the gold streets of heaven walking with Jesus! Your Mom was very loving and kind. Each time we saw her, she was all smiles. She will be missed by all who knew her. “ Always smiling. Always laughing. We were just talking last night about how she made me go outside in the freezing cold bc I didn't want to talk to the buying calling the house for me and she refused to lie and say I wasn't home... I had to literally leave the house in order for her to say I wasn't there. Hahahaa. Soooo many memories. She "adopted" me as she did many others and made us feel welcomed and loved even after we left her nest. The world was truly a better place with her in it and many lives will forever feel the grief of her passing. Rest in Paradise Momma.

“ I am sooo saddened to hear of Suzi's passing! She and I became great friends on facebook and never met in person, but she and Thor became quickly 2 of my favorite people in the world! I will pray for Thor and all her family and friends to get thru this, because to lose her, is to lose a truly special and unique person who had a heart as big as the world. Many prayers and much love, Beth Nalley

“ *Suzi was a super friend. I have do many wonderful memories when she lived in Seadrift, Texas. We volunteered at our little Mission Catholic Church. She was a fabulous Catechist. I learned from her on being a Christisn. I had difficulties as I grew in Christ during her brief stay in Seadrift. I grew to love Tara, Baron, and Rana as my own. I watched her silent suffering when Baron would get deathly ill. And I could only pray for God to be merciful. I was always envious of Suzi around Christmas time. You would enter her house and the scent of freshly baked cookies wafted right down to my very soul. She had that gift of baking wonderful cookies and oastries--all for her love of family. "Traditions," she would tell me, "need to be made with dough ." I loved this grand lady like a sister for she helped take me to the hospital with my youngest daughter. My condolences to all the family. You are in my heart forever as Suzi will always be. -- Ruby Morales-Gonzales.*

“ *I'm grateful to have spent Wednesday evening laughing and talking with mrs Susie and Mr Thor. When I came to her house she mentioned that I greeted her every Sunday at church. She was very interested in hearing my story, one thing tho is it seemed as if we all had spent time together before while we ate our Mcchicken. Grateful to have had the privilege to pray and spend time with her I will miss seeing her pull up in her Chrysler 300.*

“ *Suzi and I graduated together from Bentley High School in Livonia, Michigan. During our high school years, Suzi was always the crazy trendsetter and was always her own person. That's what I lived most about her. I remember after high school, my old boyfriend was attending Ferrus State and Suzi decided we should both pay a surprise visit to him...needless to say, it was one of the craziest weekends I ever had! I don't think I've had that many laughs since. I will miss our Facebook conversations but am grateful we found each other and were able to catch up on our lives.*
