“ Always looked forward to your visits from Pennsylvania when we were kids. I remember one time he was coming back from hunting up in Maine and sent my brother Steve and I to go get him something from the trunk of his car. When we opened it there was a Bear in there. It scared us half to death! He was always our fun Uncle and so loved. We will all miss him so much. He always made us laugh with his jokes and stories. God bless you Uncle George. Love you.
