“ *George was Roger's older brother whom I have been married to for 31 years now and have known for forty-seven years. I can only offer comfort to his wife, children and grandchildren. My heart goes out to all of you as well as Roger's. He is the only sibling left now. Ronald died a few months ago. In such a huge family you don't get to know everyone very well. But my heart does go out to all of you. God Bless.*
