“ I remember Mrs. Radcliffe from my childhood (I was a friend of Holly), she was such a wonderful, loving mother. I always remember how she had her long beautiful hair pulled up in a bun, her genuine kindness, and that wonderful smile. I remember how she adored Mr. Radcliffe, Heather, Vanessa, James and Holly. I have only met one of her grandchildren, but I know she adored all of them as much as she did her own children. Even though it has been so many years since I have seen her, I still think of her, and the whole family, and wonder how each of you are doing. I pray that God will be with each of you during this difficult time, and may He give each of you the strength to get through each day with the unbelievable strength she had. She will always be with each of you. Take all the dear things you have learned from your dear wife and mom, and hold them close to your heart. That's where you'll always find her. My thoughts and prayers are with each of you. Love, Casey Dailey-Givens (from our early years at Faith Baptist Church and school)##imported-begin##Casey Dailey-Givens##imported-end##

“ I would like to send my condolences to all of the kind family members of the Radcliffe family. I have been a long time friend and will continue to be. I am so sad to hear of the passing of miss Radcliffe. She was a very loving mother, and wife. She treated me like a member of the family every time I was around. We will all miss her dearly.

She is now with the Lord and is in a much better place. I'm sure she is looking down smiling on all of us, as she always seemed to have a glowing smile.

I will always remember her for her kindness, her ability to comfort others in their time of need, her love for life, and her love for God.

We will all miss you very much!

Love,

Brian Eder and family...##imported-begin##Brian Eder##imported-end##
