“ Our most sincere condolences to the family of Glenda. We knew her and her family from the Parkinson's exercise group and she was a very special person to me and my wife, Sylvia. She always had a smile on her face and was inspirational to the entire group. We pray that God will provide the peace and comfort to her family in their hour of need.

“ I grew up in Riverton with Glenda, I had not seen her in about 15 years as I live in South Carolina, Was just talking to my wife Barbara the other day. I know she struggles with Parkinson's for many years.

“ Sending condolences and prayers to Glenda's family and friends at this most difficult time. I have many fond memories of our school days at Mardela Middle/High School. She was one of the kindest people I knew and truly beautiful from the inside out. It was a blessing to re-connect with her on a couple of occasions when I was home from Colorado. Love to you all, Kathy Ahlbrandt (Lee), MHS Class of 1965.

“ Glenda was such a joy to know at our bi weekly Parkinson's group. We were better for knowing her and send our prayers of comfort to Bunky, Denise and Delores and the family. We will miss her tapping to the music and getting us all started exercising. She enriched our lives each week and we will miss her smiling countenance. Love to you all, John & Carol Verrill

“ Glenda was such a wonderful woman of faith that deeply loved her family. She was an amazing daycare mother for my three children when I first moved down to the Eastern Shore. I was very fortunate to run into Glenda and Bunky about a month ago. I'm sure our loving Lord has her helping out with His angel children in heaven.
