“ Aunt Grace, I will miss you so much! I know I'll meet you in the blue yonder someday soon. I loved the fact that you cherished my "children's books" when I used to write as a child. I always felt comforted in your hugs and always knew I was loved. I used to get tickled when I would be on the bus ramp and see you dropping off my classmates when we arrived at school. I was a proud niece! Most of all, you spent time sharing your heart with your nieces and nephews and other family during the peaceful summers in "Chinkatig" because you knew the value of family and faith in Jesus and I will always carry those memories in my heart! Love you!
