“ April & David, I am so sorry to hear of your loss. I wasn't able to meet Grace, but I've heard how amazing she was. I don't know you guys well, but I know you have an amazing faith that will lead you again to Grace. I know that she is in Heaven now, playing with my nephew Caleb. They do say that time heals all wounds, however, Jesus promises us time with our loved ones again. Lean on your faith, it'll pull you through. Again, I am so sorry for your loss.###imported-begin###Stacey Ferrell###imported-end##

“ My thoughts and prayers are with the entire Phillips family. Though I never got to meet her I certainly can tell you she was such a little fighter. David and April I admire the two of you for taking such great care of little Gracie and allowing her to have as normal as a life as you could in her short little life. No doubt where Gracie is today... resting in Jesus' arms. My heart aches for you today and everyday but remember... you will see her and hold her again soon. If there is ever anything I can do you know where to find me. Love you all###imported-begin##Shannon Rieben##imported-end##

“ On Feb. 26th a piece of all of us died, when Gracie left to be w/ Jesus. God also answered our prayers on that day b/c she is healed now. She touched so many people w/ every breath she took. Gracie did more in 7 weeks than most people do in a life time. They say time heals all wounds but not when it comes to Gracie, she put a tiny footprint on my heart that will never go away. I think I can speak for the whole Phillips family when I say, this void will only be filled when we reunite w/ Gracie in heaven.###imported-begin###Mike Phillips Jr.###imported-end##
