“ *I will always miss mommom. I have many memories of her. I remember the Saturdays we spent together (among other days). On those days, we would start out at English's for the 2-2-2 breakfast, errands, shopping, laundry, groceries and then baking cakes. She was the one who took me on my first trip to New York. We always had a blast and referred to each other as "partners in crime". She fought a valiant fight til the end. She was the one I looked to for approval and for advice. She was my idol and role model. Mom-Mom, I will always miss you and love you!*

“ *H was truly a fixture in the lives of Amber and Kelly, as well as their friends, class mates, Girl Scouts, band boosters, Delmar cheering squad from tball to softball to soccer. H was there. She made many lasting impressions of what a good grandmother should be. High standard to be met to reach her level of expertise of parenting and grandparenting. Thanks for the memories and love to all. Sorry we won't be able to attend on Friday but will keep you in prayer as your family heals from the loss of a wonderful woman. Lots of love. Bill, Johanne, Jaimie & Sarah Nibblett*

“ *Mommom was the only person who took up for us when we wracked up several phone bills calling "New Kids on the Block" hotline a million times. I'm not sure the woman had an enemy. Anyone who was touched by her life was truly blessed. Love you and miss you mommom.*

Mel- She sure did. I know she wasn't happy about it, but she was more lenient than our own parents, even when she opened her phone bill and saw the charges. I will always miss her.

“ *I will miss Mom Mom with all my heart. My biggest memory is all the times I would stay the night with her and we would stay up watching "The Commish" and "Doctor Quinn Medicine Women". Those two shows to this day I have never watched with anyone else. I will be picking them up today just to relive those memories. I will remember all those great holiday dinners that we would have as a family; easter, xmas, etc.. We would play as children all throughout the house and those were some of the best times of my life. I will forever miss her and know she will be with us watching over me and my family.*

I miss Mom Hilda so much, but I am so glad she is not suffering any more. I will always think of her as my second Mom. She was always there with an ear to listen any time you needed her. I know where she has gone and I will see her again some day! I love you mom. Such a sweet caring lady!
