“ Hope was a wonderful daughter, wife ,mother ,grandmother. I met her when she was helping to care for her parents. She was a very lovely person who was always trying to feed me when I was at her house! Her granddaughter was the apple of her eye. I know this is a hard time, but please focus on the memories of how caring and loving she was to each of you..sending (((hugs and love)))

“ Dear Billy ~

I only know you from talking to you and seeing you race, at the US 13 Dragway, but my heart and prayers are with you and the family during this difficult time. It is sad Missy, had to leave her earthly loved ones behind way too soon, but I know GOD, decided he needed an Angel in Heaven. I wish there was something that I could say to comfort you, but only time will help ease your sorrow. She will always be in your heart.
