“ *Miss Ginny, You'll never know how much you and Mr. Jim have meant to our family. The past few years we haven't kept in touch as we should but you are in our hearts constantly. Words cannot tell you what an impact you and Mr. Jim had on Lance's life. Everyone comments to me what a great young man he is and as a parent that is a wonderful thing to have people say. I trully believe it's from the influence you and Mr. Jim had in his life that he has become the caring, self-confident young man that he is. Thank you for taking time with him and being such wonderful role models. Our prayers are with you. Donna & Terry###imported-begin##Donna & Terry Crider##imported-end##*

“ Dad,
So much to say about the man you were. I am so glad that we had become closer over the past years. Gene was so happy that the two of you had become closer as well when I was sick. You called every day just to give him encouragement that I would be okay and that meant the world to him. Zach, Bailee and Brooke are going to miss you very much. Uncle Donald is going to take Bailee for youth day. You were a very respected man in DelMar and will be greatly missed by all who came to know you. Take care of Lindsey and Granny and watch over all of us and one day we will be together again. Ginny my thoughts and prays are with you as end one life and have to start a new. You always have been very good to Gene and the girls as well as me and Thank You for being the woman that you are. Love, Jamie, Gene, Bailee and Brooke###imported-begin##Jamie##imported-end##

“ Not only was Jim a good butcher. . . but he was one of the best carpenter's I've ever seen. I remember witnessing him going into a room at a condominium project and measuring a room for baseboard moulding. Then, he went out onto the adjacent deck and cut every piece of moulding without ever re-measuring. Every piece fit like a glove.
He must have had photographic memory.

You'll be missed Jim!!!
