“ *We were so sad to hear of Jane's passing. We will miss her warm smile & kindness. Jane always treated us more like family than friends and we will forever have a special place in our hearts for her. One of our favorite memories of Jane is when we'd be passing Delmar on our way to OCMD and we'd go through the drive-thru at the bank to just to say hello & give her wave, it always brightened our day. We believe that Jane and our Mom/Grandma (Elaine Hulliger Powley) have been reunited, are having a fun time together & are watching over all of us. May God bless her family & friends during this sad time.*

“ I worked with Jane at the Bank of Delmarva in the early 1980s, starting when I was 17 through age 20. Jane and I worked the drive-thru window, and we had so much fun - especially on Friday nights! In the summertime, she would walk home for lunch, and she would bring me back the most delicious glass of iced tea! When I became pregnant with my first child, I was working with Jane the day I found out. She started calling me "Little Mama." Fast forward 34 years, and I'm a dialysis nurse managing the inpatient dialysis unit at PRMC. Jane is occasionally our patient, and every time she would see me, she still called me "Little Mama." You will be missed, Jane. Rest in peace.

“ So sorry for your lost. Remember when Jani and I went to school together, going home with every lunch time across the railroad tracks. That's when we were at the Delmar Elementary School. We could laugh about anything, I can hear her laugh now when I think about her. I missed her from the Bank. She was beautiful inside and out. God Bless you, Jani xxxxxx

“ Linda,
YOU have always been more than Jane's sister, you have been her second Mother & her best friend. You and Gerald included her in all your activities and made her feel special. Your family has shown her so much love over the years. Now it's time to pull out the memories of your shopping trips and other good times.

That is what Jane would want you to do, her life these past few years have been hard BUT today, things are much easier, no more pain or restrictions for her! You & KAY were such a blessing to her and she appreciated all you did to make life easier for her.

Now it's time for YOU to take care of Linda! Life is so short my friend and we don't know when our time will end. But we know where we are going to spend eternity and that's the most important thing!

Love you & your family!
