“ Janet was a member of Wi Hi class of 55". She loved attending our reunions and our birthday parties. with her sister Joyce. A special surprise was our 70th party when Orville came and sang for us,

“ Orville, Mike, Anita and families, My heart aches for each one of you. It's so difficult to lose your mother. Know she is with you all the time but just not physically but in your hearts and now she is with Uncle Ike and they are both holding each other until one day we all meet them. I know he had his arms open wide when she got to those gates. She is no longer suffering with things she could no longer do. She loved all of you with all her heart. She talked about the grandchildren and great-grandchildren all the time when we talked. When the Lord calls our loved ones home, he leaves a gift of memories in exchange. Hold onto those special memories and she will never be far away.

Much love and prayers to all,
Dale and Christine
