“ Me and the rest of the Fitch family would like to send our Condolences to you and the rest of your family. I knew Jason in school and we even worked together not too long ago at McDonald's and we had a fun time. but I also had a good time working with Christy and Her nephew Eric. and they're all good kind people and I enjoyed the times at work with all three of them. and there was a time I remember before I went to basic training for the army. that I had asked to recruit Jason and Christy said "no" with a slight laughter in her voice. but there were the Highschool years where I met Jason in the 8th grade at wicomico middle school. and because we were good friends we kept each other out of "the principle's office" and in laughs as much as we could. he was kind of like the brother I never had but always wanted and that's how I'll remember him. and with that said, I hope you find peace and with our heavenly, father the lord, God and Jesus. Be Cool, Jason. I hope you'll be waiting for me at the "pearly gates" with a six-pack of bud lite. My prayers be with Christine and Eric and the rest of your family. love Jason Fitch & family.##imported-begin##Jason E. Fitch##imported-end##

“ I had Jason as a student in my World History class at WIHI. He was a pleasure in class and in school. I remember that he was a young man who was true to himself. He knew what he liked and who he was and never tried to be someone different. We often talked about his love of music and different guitars and the band Nirvana. I am truly sorry and my sympathies, thoughts and prayers are with you.##imported-begin##Chris Burkhardt##imported-end##
