“I will always remember Jess as the little red-headed spitfire running over my foot with her popcorn mower who grew into a strong, willful, and loving woman. Even though we were second cousins, she always called me Aunt Debbie. I will forever hold you in my heart. To Joy and all of the family and friends: Jess made an undeniable impact in many lives, and in that fact and with the Lord's help, find your strength to carry on without her. Love you all! Jess, I pray you finally found the peace you were looking for.
