“ *I will miss you so much! We shared alot while we talked over the phone to each other, And at the end we always said I Love You. I will always hold you close in mind and heart. I wrote a little poem to share. I wasn't always the perfect daughter as a lot of us know well, I knew that you forgave me because all you did was yell. Because we are so much alike and didn't get along, We both forgave each other, we knew that it was wrong. I'de call you on the phone we would tell each other things, Now when I would call all it will do is ring. I will miss you deeply in HEART, SOUL & MIND, I know that day in Heaven I will seek and I will find. You, Mom, Rodger , Dock & even Buddy too. An ever lasting life because it's all brand new. Now I let you rest your work is done down here, One thing left to say " you knew I loved you Dear"*

“ *May you rest in peace "Ma" or as I sometimes called you "Needle". Now you suffering is over and you can join "Mom" and Rodger in heaven. You always were a bit feisty, but that is what made you so special. I was very honored to be your son-in-law, even if it was for a short time. May Robin, Debbie, and all your grandchildren and great-grandchildren know you are watching over them now from heaven.*
