“ *Spaghetti splash if you knew my aunt years as ago you know what I'm talking about. Also this one time Mac and I rode our bikes through a neighbors pristine yard. We new we where not supposed to. Somehow Aunt Julie found out and later that night we were having a back yard fire behind there house. She came up behind us with a mask screaming you ruined my lawn scared all of us to death. Another memory is all the beach days with my mom and her and all 9 kids. Amazing times. I loved my Aunt she would always contact me over the years telling me she loved me and was there for me if I needed her. I truly regret with all my heart not staying in closer contact. To my Uncle Jerry , Somer, Mac , David, and Susie I am so sorry for your loss. Your in my prayers and I love you all so much*
