“ Even though I moved away from the area, Miss Kay and I had kept in touch through our communications on the computer. She always asked about my little pup, Sadie and shared stories about her dog, Stephy. She was a special lady and I will miss her friendship and kindness.##imported-begin##Beverly Sayers##imported-end##

“ I knew Miss Kay from her doctor's office. She saw a picture of my son in his Coast Guard uniform and told me about her husband being a "Coastie". Our friendship grew from there. I will miss seeing and talking to her, but I know she is in Heaven with our Lord.##imported-begin##Suzanne Killian##imported-end##
