“ *I attended high school in Delmar with Kevin. We also crossed paths often over the years due to our careers in real estate. I always considered Kevin a good friend and he always would go out of his way to talk with me whenever we encountered each other. He was one of the most caring individuals I have ever known. My condolences to the family.*

“ *I speak for the Koster family. We were blessed to know Kevin in his junior and senior year of high school working . He was the most thoughtful considerate pleasant person I had ever met. He had the most captivating smile. And a twinkle in his eye for the pure excitement of life. He was always himself and never apologized for that fact. He would give all for his friends and family without regard. I thank his mother and father for the most precious gift ...may they find peace knowing their son made the world a better place. We send our condolences. And we will never forget such a fine friend.*

“ *Mr. Ken and Miss Myra, I am Reverend Truitt's daughter. I remember when Kevin was born. I thought it was so nice that such a little baby lived next door to me and that I was able to help take care of him one day. I have many fond memories of you Robin and Hunter. I will keep you in my heart and prayers during this difficult time. Take care.*

“ *My sincere condolences to Kevin's family. May he rest in eternal peace. Although we had not stayed in touch as much as I would have liked, I have always had such fond memories of Kevin. He was one of my best high school buddies, and we had so many laughs. He was always right there with me, hamming it up, re-creating skits from Saturday Night Live, just squeezing every bit of fun out of our high school years. He was a great person, and I'm heartbroken that he's no longer with us.*
