“ My other daughter is now gone resting in Heaven with her sister. Lauren, that's where you wanted to be and you were torn between reality with your kids and being with Michele. I guess Michele won. We all miss you so much. I'll never forget your smile cuz it looks at me every day in your son. And your attitude also is in him too. He truly misses his Mommy. I will continue to say goodnight to you and Michele every night till I join you in Heaven. Save a huge loving hug for me cuz I've got plenty for both of you! I'll love you both forever and you'll be forever in my heart and thoughts.
