“ Dear family of Lisa,
I am so sorry for the tragic loss of Lisa.
At terribly sad times like this, those left behind need comfort and the Bible is the best place to find it.
Jesus well knew the Bible statement: " Time and unforeseen occurrence befall them all"[Ecclesiastes 9:11]. He knew that sometimes bad things just happen.
The wonderful future resurrection hope is the promise found at John 5:28,29.
Revelation 21:3,4 states that death will be no more. and pain will be no more, the former things will have passed away.
Our Creator, Jehovah God, by means of his son Jesus, is going to bring about these wonderful changes.
I hope as you read these texts in your Bible they will be of comfort to you.

“ To Lisa's family,mom,daughters,and grandchildren. I am writing this with much sadness and a heavy heart of losing such a wonderful person at such a young age, but with gracefulness of having known Lisa. I first met Lisa when we worked at Methodist Manor House together as R.N.s. Lisa was a person who was meant to be a nurse. She had such compassion for people and would do anything and every thing to insure her patients were treated with respect , dignity,and had the upmost care they needed and she made her residents know they were truly loved. She loved to share stories about her family and grandchildren and loved them very much. We both shared a love for reading and started a book lending shelf in the nurses lounge to exchange books we had already read.Lisa was truly a inspiration to all who knew her and will truly be missed. God Bless her family during this time of grieving and I hope you can have the peace that passes all understanding.

“ To Lisa's mom, daughters, grandchildren and family, It is with much sadness and a heavy heart that I write this note. I met Lisa when she and I were Clinical Instructors for Nursing Assistants through Delaware Tech. She did this in addition to working at Manor House. She and I spent many hours together teaching and training students to become Certified Nursing Assistants in the State of DE, many of whom went on to also become Nurses. Lisa was one of the most caring and understanding instructors I had the pleasure to work with and at the same time was not tolerant of any student who did not do what they were taught. Lisa also was a DE State Certified Clinical Tester for the CNA Program. Her love for her residents shone through her teaching of students. She tried to instill that love and caring attitude in her students. I later had the pleasure of also working with Lisa as a nurse at Manor House. I can honestly say she was dedicated to her residents care and well-being. She had a heart that just kept on giving. Rest in Peace my friend! You will be missed by many but will live on in the hearts of those who love you!!
