“ *Wayne, Jake and I are so sorry to hear of Lois's passing. I was totally unaware of this until I read in the bulletin. Jake and I would have been at the service. Please extend our sorrow to Jennifer and Robin and the rest of the family. I met Lois when Jennifer and our daughter Heather went to Beaver Run together. Lois and I were their Brownie Leaders. Jenny and Heather became good friends and Jake and I spent a lot of time with her and the girls. Lois was one of the sweetest people you would ever want to meet. She always had a smile on her face and was always willing to lend a helping hand. When I decided to convert to Catholicism, Lois was my sponsor and when Jake and I had our marriage blessed by the Church she stood up for me. She will missed by so many, including me.*

“ Lois was both a coworker and dear friend. We worked together for so many wonderful years. When my daughter was in Johns Hopkins Hospital, Lois and Deb came to visit me at the hospital and made such a huge difference. Prayers and hugs to all of Lois's family and friends :)

“ My deep felt condolences to Lois’s family, friends and all who loved her. I first met her over 35 years ago in girl scouting. She has always been a pillar servant of Christ in our community and Parish family. We would run into each other on occasion over the years either around events on the shore and at Massanutten where we both vacationed. She always had her welcoming smile and upbeat personality when I saw her. She will certainly be missed by many. Job well done here in earth Lois... may you be resting peacefully with Jesus now until we are all together again. Hugs to the family.
