“ Dearest Susan,  
I know your heart must be heavy having lost your Mom. I will always remember Lorine during the many times I went there to visit Aunt Elsie. She was always a pleasure to chat with; it always brought me comfort that she looked out for Aunt Elsie the way she did. Lorine always looked so pretty when I would visit. She had such a great sense of humor and a kind heart. May God bless you, Susan, and the rest of your family. I know your mom will be missed greatly by the other clients at Chancellor as well. She always seemed to look out for everyone. Sorry I can not be there for the service, but just know that she will be thought of by me and Charlie.  
Take good care of yourself, Susan.
