“ *Peggy was a good friend, my partner in crime. I met her in 2005 at a homeowners meeting and we clicked as friends. We went to AARP, IRP, and Red Hat meetings together. I told people I want to be just like her when I grow up. She was so full of life and always saw the good in people. I will miss her but am a better person for knowing her. RIP my friend.*

“ Bryan,

My condolences to you and the rest of your family on the lose of your mother.

I know I told you how we met in the IHOP in Salisbury. She was the first "friend" I made after moving here from NY in 2009. She told me about the I. R. P. and a few other things to do in the area.

It was a great pleasure knowing her!

*Sincerely,
Alan J. Court.*
