“ *Our family has many fond memories of our years as next door neighbors. It was nice to know there was someone close by if we needed any help. You were like grandparents to our children. The children loved the lollipops Mary gave in return for the hand picked flowers! The lemonade was delicious as we sat and chatted. Paul, you have our deepest sympathies and also our prayers. Mary was such a dear lady and we will miss her alot.*

“ *Paul and family,*

We are so sorry for your loss. It has been a while since we saw you and Mary. But we had a lot of fun times playing UNO and just laughing about the fire dept days. She will be greatly missed. Our prayers are with you at this difficult time. God bless.
