“ Dear Friends, I loved your Mother. She was always so REAL! She was always ready with that beautiful smile to welcome everyone. At Worship service when we all get to say good morning to each other I always told her no hand shake for me....we could only do hugs and she laughed and said you are right and she never forgot that when she saw me, no matter where we ran into each other. She was beautiful both inside and out and loved, loved, loved her family and was so very proud of each of you. She couldn't wait to tell me that Wayne was getting married she was so happy! Please know that I am sending love and hugs to each of you and that you are in my prayers. Keep all those beautiful memories you have of her in your heart and mind as you go on from here. We all know where she is and that she still has that beautiful smile as she continues to watches over you from above.

I will never forget our younger years when visiting you. Your mom was always an angel. She fixed some really good dinners and we loved to visit you. I love her smile; it would light up a room.

“ Ken and family.....Sorry to read of Millicent's passing this morning. Lou and I only hope that her last days were good ones. Millicent and I started our school days together on September 1, 1939. Seems like yesterday. We share in your grief, let your heart not be troubled, and remember her for the good times you have enjoyed together. We pray that God will be with you and bless you the rest of your days as well. George and Mary Lou Kemp
