“ I am very sorry to learn of the passing of your mother. My mother was your father's sister. I was just trying to call your mother from a letter she sent when my father passed away. The phone number is listed as disconnected and I just looked her up on the internet. If there is anything I can do for you.....all of you are in my thoughts and prayers. My deepest sympathy for your loss. God bless.

“ So sorry about your Mom, Grandmother and Great Grandmother. I am Harry's daughter - George's brother. I remember going to your parents home when I was very little. If I remember correctly, their living room was all white. Funny the things you remember. I have had no contact with my father's family since he passed away, so....if any of you hear from them, please ask them to contact me. I would love to know how everyone is. My brother Kevin, lives in Oklahoma and I live in Las Vegas (for 40 years) I'm very religious so it's a strange place to be but lots of good people here. I pray the Lord will comfort and strengthen you and give you peace.##imported-begin##Crystal McMichael David##imported-end##
