“ Aunt Pearl was my deceased mother's, Elizabeth Campbell Bratten's, aunt. She has been wonderful to my family. She attended my wedding, she gave us a JESUS needlepoint. She has been a blessing to everyone she met.

She went out of her way to drop my family a note when she saw us in a the local paper or my brother Wayne Marshall doing a pewter spin for Salisbury Pewter.

I lost track of her when she was no longer at her home on Deal Island, I stopped by there, but no one could tell me where she was or how I could contact her.

I do not know how the family tree runs but I would love to stay in touch with this side of our family.

I can be reached at labratten@comcast.net.
