Delmar- Philip Ray Haddock, 76, of Delmar, passed away at home on Tuesday, February 11, 2020, after battling prostate cancer for almost three years. He was born June 29, 1943 in Salisbury, a son of the late Charles Medford Haddock and Ruth Nancy (Horseman) Haddock.

“ I'm so sorry to hear that Phil passed but happy that he's no longer in pain. I worked with Phil at MaTech for many years and always enjoyed his spirit and sense of humor. Often he would pull out a piece of folded paper and say "Here, read this." Then he would just stand back with a small smirk on his face while I read his joke.

He was a quiet man that always put care and quality into his work and his home life. He loved his wife Jo-Ellen dearly. I remember running into the two of them on Friday nights at Delmar Pizza with my young kids. I wish I had done that more often.

We often talked about our common interests...and I always respected his work and his opinion. He will be missed by many. May he be with our Lord and Savior Jesus Christ for the rest of his days.

“ I know the entire family will miss Uncle Phil. He was kind to all he met and if you needed any advice or help it was freely given. In addition he was very dependable. Uncle Phil truly loved the children in our family, as he 'teased' them and the children loved it. Yes; Uncle Phil, you will surely be missed by our family. The Propper and Martini Family

“*Phil and Jo-Ellen have been our friends and neighbors for many years. They were always there for us. Phil was always there with his many skills to do what needed to be done or make or fix whatever needed to be repaired. We were still able to have our New Year's eve food and domino competition this year like many years in the past. He will be missed.*
