“ *I am so sorry to hear about Racey. Although I did not know Racey personally I know how hard it is to lose a loved one. In such difficult times we can turn to words found in Revelations 21:3,4 where we are minded of a time when there will be no more pain, suffering and even death. May your familys pain heal with time and prayer for that beautiful future when we will see our loved ones again. I will keep your family in my prayers.*
