“ I'll always remember and be grateful to Richard for bringing about my little sister and best friend, Sarah. He was such a great bonus dad growing up. He always instilled a great love for family and making time to spend together during my childhood shared with him. My children will surely miss the silly FaceTime calls between him and Sarah at our house. Richard will always have a place in my heart ❤️ Sending love and prayers to the rest of the Williams family and more. -Ashley Figgs and family.

“ *Richard !! You will be missed so much. Thank you for all memories growing up. I know I wasn't always easy to deal with (teenager). I have so many memories of you .. playing basketball, soccer in the backyard, listening to your big stereo blasting hank Williams junior, watching nascar , weekly Sunday dinners, my first trip to the mountains (which is still my favorite trip to take til this day), you laying on the couch from working so hard from the day, playing card games ... and many more. Thank you so much for my sister - she possesses many of your qualities .. we butt heads too sometimes lol 😭 ... you will always have a special place in my heart. So saddened that you have gone so soon. Sarah misses you so much !! Please guide her and look after her from heaven .. until we meet again ... ❤️*

“ Richard, you will be missed so much. Thank you for all the memories u gave me growing up. I wasn't always so easy to deal with(teenagers .. ya know) Most importantly for giving me a sister that I cherish and that has so many of ur qualities. Many memories of playing basketball, soccer , listening to ur big ass stereo blasting hank Williams junior, playing card games, going on my first trip to the mountains (for which I love so much until this day), weekly Sunday dinners, watching nascar, and u recouping on the couch from a long day of hard work !! You are one strong person who cared for so many. Sometimes the world on your shoulders but u kept going anyway ...
