*I am so sorry for your loss. But at least we know where he is and that he is happy with the Lord. Praying your grief will be tempered with the wonderful memories of so many years together and the wonderful family he is leaving behind... as well as knowing that the separation is for a time only and you will see each other again! God bless you....*

“ Peggy,

*I am saddened to hear of Bobby's passing. I remember when you two were getting ready to get married. You two just seemed to be meant for one another. It has been a long time since I have seen you, but I think of our good times growing up near Cordova and that one summer together at 4-H Club Week. I want you to know you have my sympathy and love and I will remember you in my prayers. .*

*Sincere sympathy,*
