“ As one of Robin's long time friends (since 5th grade), as a kid I spent a lot of time at Eddie's house. It was always obvious how much he loved Robin, Eddie and Alfred. One of the most memorable times I had was when I went with them on vacation to his mom's house in Virginia. We would be stomping our feet in the car to the music when we were going up and down the hills. We laughed so hard. He told us to stop because it was making the car bounce. lol When the grandkids came along he showered them with the same love if not more, if that was possible. You definitely could tell he loved his family deeply. He will truly be missed by all. My heart felt condolences to Robin, Eddie, Alfred, Jennifer and Chris and the rest of the family. May your fond memories of him help you get through this difficult time. Love you guys, hugs.

“ You are greatly missed Poppop. My favorite memories are going to pops and getting a happy meal and listening to all his story's. One that stuck with me the most was when he talked about the little people in the garden. He was a tough man but he loved his family deeply. I love you always Poppop. Give grandma and Steven a kiss for me.

“ My dad was the best. Loving and caring. He raised 3 children on his own. He always was there for us. He gave everything to everyone. He was generous and a very honest upstanding man. I loved him very much. I will miss him more 😭
