“ *This is so surreal. I was just chatting with Willie not long ago, reminiscing about good times long, long ago at Pine St in Delmar. He so loved our dogs, Wimpy and Shadow, and they loved him. They would all play together and have a great time. The dogs enjoyed having a human closer to their size pay attention to them. No doubt they were waiting to greet him at the Rainbow Bridge. RIP.*

“ *Such a beautiful young man gone way too soon. I remember having Thanksgiving dinner with you at Angie and Justin's house a few years ago. You had a wonderful sense of humor and tried to make us laugh during dinner. You will be missed, rest in peace. Deborah Kernodle*
